Georgia Project Director, Lincoln Brandenburg, lead a team of 16 staff and volunteers to educate many of the 55,000 attendees outside the Passion Conference at the Georgia Dome, January 2-4, 2017. By holding signs at three locations we reached many of the 55,000 attendees. Some were open to our message, yet it grieved us to see some people throw away our brochures right after accepting them.

Groups of students gathered to see GAP at Palomar College on September 14, 2016. Discussions about abortion that would otherwise never occur are generated by GAP.

At East Los Angeles College in Monterey Park, California, CBR volunteers spoke with receptive students about abortion. Planned Parenthood targets the 67% of 35,100 enrolled students who are Hispanic, so our time spent on campus was important.
